
Publisher Correction: Stabilizing the mood of tumours

Anna Dart

Correction to: *Nature Reviews Cancer* <https://doi.org/10.1038/s41568-021-00422-5>, published online 26 October 2021.

In the Table of Contents summary for the originally published In Brief, the expression of PDL1 was inaccurately described as being decreased. This has been corrected in the HTML version of the In Brief to reflect that the expression of PDL1 was in fact increased.
