

Author Correction: *Akkermansia muciniphila*: paradigm for next-generation beneficial microorganisms

Patrice D. Cani , Clara Depommier , Muriel Derrien , Amandine Everard  and Willem M. de Vos 

Correction to: *Nature Reviews Gastroenterology & Hepatology* <https://doi.org/10.1038/s41575-022-00631-9>, published online 31 May 2022.

The originally published article contained two errors in Table 1 in the row for *Faecalibacterium prausnitzii*. The strain was listed as *Faecalibacterium prausnitzii* A2-65 instead of *Faecalibacterium prausnitzii*, and the entry in the 'Potential mode of action' column should have included IL-10 inducer with a citation for reference 142. These errors have been corrected in the HTML, PDF and print versions of the article.
