The caption for Figure 5a was incorrectly published as “Various types of spectral diffusion depending on the noise correlation time: (1) Gaussian broadened line ( $\tau_c < \tau$ ), (2) discrete spectral jumps and (3) spectral wandering.” The corrected text is “Various types of spectral diffusion depending on the noise correlation time: (1) discrete spectral jumps, (2) Gaussian broadened line ( $\tau_c < \tau$ ) and (3) spectral wandering”. This has been corrected both in the PDF and in the HTML versions of the article.
