Author Correction: Roads towards fault-tolerant universal quantum computation

Earl T. Campbell, Barbara M. Terhal & Christophe Vuillot

Correction to: *Nature* <https://doi.org/10.1038/nature23460>, published online 13 September 2017.

In Fig. 2b of this Review, two of the gates were inadvertently swapped. At the top right, ' X^{a+c} ' should have been ' Z^b ', and at the bottom right ' Z^b ' should have been ' X^{a+c} '. Fig. 2b has been corrected online. The Supplementary Information of this Author Correction contains the original, incorrect Fig. 2b, for transparency.

Supplementary Information is available in the online version of this Amendment.
