## Author Correction: A series of energetic metal pentazolate hydrates

Yuangang Xu, Qian Wang, Cheng Shen, Qiuhan Lin, Pengcheng Wang & Ming Lu

Correction to: Nature <https://doi.org/10.1038/nature23662>, published online 28 August 2017.

In this Letter, under Methods section ‘[Na(H<sub>2</sub>O)(N<sub>5</sub>)]·2H<sub>2</sub>O (2)’, the description “the intermediate product arylpentazole (5.000 g, 26.18 mmol)” should have read “the intermediate product sodium salt of arylpentazole (5.000 g, 21.64 mmol)”. In the legend of Fig. 3, we add that “All temperature points in the stability study were onset temperatures.” to avoid misunderstanding. These corrections have been made online.
