Correction to: *Nature* <https://www.nature.com/articles/s41586-018-0471-x>, published online 03 September 2018.

In Extended Data Fig. 5d of this Letter, the blots for anti-pS612 and anti-BAK1 were inadvertently duplicated, owing to a copy and paste error during figure preparation. (The original blots presented in Supplementary Fig. 1 were correct.) The original figure has been corrected online, and see Fig. 1 to this Amendment for the old, incorrect Extended Data Fig. 5d, for transparency.
