Correction to: *Nature* <https://doi.org/10.1038/s41586-018-0519-y>, published online 12 September 2018.

In this Article, the pCaMIN transposon plasmid consisted of ‘mouse *Myc* and mouse *Nras*^{G12V}’ instead of ‘mouse *Myc* and human *NRAS*^{G12V}’, and the pCAMIA construct consisted of ‘mouse *Myc* and human *AKT1*’ instead of ‘mouse *Myc* and *Akt1*’; this has been corrected online throughout the Article.
