In Fig. 2 of this Analysis, the tick-mark labels on the colour bars in the second and third images from the top were inadvertently swapped. In addition, the citation at the end of the sentence, “On a monthly basis GRACE can resolve TWS changes with sufficient accuracy over scales that range from approximately 200,000 km² at low latitudes to about 90,000 km² near the poles” should be to ref. ⁴ not ref. ¹. These errors have been corrected online.
