Correction to: *Nature* <https://doi.org/10.1038/s41586-019-0964-2>,
published online 20 February 2019.

In this Article, owing to an error during the production process, the label on the y-axis of Fig. 2c should read “Number of T _{β -syn} cells” rather than “Number of T1 _{β -syn} cells” and the left and right panels of Fig. 4 should be labelled ‘a’ and ‘b’, respectively. These errors have been corrected online.
