Publisher Correction: DNA damage detection in nucleosomes involves DNA register shifting

Syota Matsumoto, Simone Cavadini, Richard D. Bunker, Ralph S. Grand, Alessandro Potenza, Julius Rabl, Junpei Yamamoto, Andreas D. Schenk, Dirk Schübeler, Shigenori Iwai, Kaoru Sugasawa, Hitoshi Kurumizaka & Nicolas H. Thomä

Correction to: *Nature* <https://doi.org/10.1038/s41586-019-1259-3>, published online 29 May 2019.

In this Article, owing to errors during the production process, in Fig. 1a, the 5' and 3' labels at the right-hand side of the DNA sequence were reversed, and the top strand should therefore run 5' to 3' (and the bottom strand 3' to 5'). In addition, Fig. 4 was missing the panel labels 'a–e'. These errors have been corrected online.
