In Fig. 5e of this Article, the labels 'Empty' and 'shPTB' were inadvertently swapped. In addition, 'Peking-Tsinghua Center for Life Sciences' should be added to affiliation 2 (associated with authors Xinjiang Kang & Zhuan Zhou) such that the full affiliation reads: 'State Key Laboratory of Membrane Biology and Peking-Tsinghua Center for Life Sciences, Institute of Molecular Medicine, Peking University, Beijing, China.'. The original Article has been corrected online.
