In this Article, the final product listed for each reaction in Fig. 5b should have been 'N(SiMe₃)₃' rather than 'N(SiMe₃)₂'. In addition, the sentence beginning 'The reaction with an equimolar mixture of C₆H₆ and C₆D₆...' should have cited Supplementary Fig. 5 instead of Fig. 5b, and the sentence beginning 'Other arene substrates...' should have cited Fig. 5b instead of Fig. 5c. The original Article has been corrected online.
