In the version of the article initially published, there was an error in Fig. 2i where the arrows indicating tamoxifen treatment were shifted to the right. This has been corrected, and the arrows now start at day 1. There was also an error in the Fig. 5i x-axis labels, which mistakenly duplicated the labels of Fig. 5h. This has been corrected, and the x-axis labels now read “DMSO,  $\alpha$ KG, *Kdm5b* KD,  $\alpha$ KG + *Kdm5b* KD”. These changes have been made to the HTML and PDF versions of the article.
