

## Author Correction: Quantification of subclonal selection in cancer from bulk sequencing data

Marc J. Williams , Benjamin Werner, Timon Heide , Christina Curtis , Chris P. Barnes , Andrea Sottoriva   
and Trevor A. Graham 

Correction to: *Nature Genetics* <https://doi.org/10.1038/s41588-018-0128-6>, published online 28 May 2018.

In the version of this article originally published, in the “Theoretical framework of subclonal selection” section of the main text, ref. 11 instead of ref. 19 should have been cited at the end of the phrase “Our previously presented frequentist approach to detect subclonal selection from bulk sequencing data involves an  $R^2$  test statistic.” The error has been corrected in the HTML and PDF versions of the article.
