In the version of this article initially published, in Supplementary Data 5, the logFC, FC, *P* value and adjusted *P* value for advanced AMD versus control (DE 4/1) without age correction did not correspond to the correct gene IDs. The errors have been corrected in the HTML version of the article.

Correction to: *Nature Genetics* <https://doi.org/10.1038/s41588-018-0321-7>, published online 25 February 2019.

In the version of this article initially published, the *y*-axis labels in Fig. 5 read 'signed log₁₀[FDR]' but should have read '-log₁₀[FDR]', and the figure legend incorrectly indicated that directions of effect are shown in Fig. 5 rather than Supplementary Table 25. The errors have been corrected in the HTML and PDF versions of the article.
