

## Publisher Correction: Clinical use of current polygenic risk scores may exacerbate health disparities

Alicia R. Martin , Masahiro Kanai , Yoichiro Kamatani , Yukinori Okada , Benjamin M. Neale  and Mark J. Daly 

Correction to: *Nature Genetics* <https://doi.org/10.1038/s41588-019-0379-x>, published online 29 March 2019.

In the version of this article initially published, in the legend to Fig. 4, the descriptions of panels d and e were switched, although the figure itself is labeled correctly; panel d shows data for British individuals in the UKBB, and panel e shows data for Japanese individuals in the BBJ. In addition, the copyright line read 'The Author(s), under exclusive licence to Springer Nature America, Inc.' but should have read 'Springer Nature America, Inc.' The errors have been corrected in the HTML and PDF versions of the article.

## Publisher Correction: Mutation load at a mimicry supergene sheds new light on the evolution of inversion polymorphisms

Paul Jay , Mathieu Chouteau , Annabel Whibley, Héloïse Bastide, Hugues Parrinello, Violaine Llaurens and Mathieu Joron 

Correction to: *Nature Genetics* <https://doi.org/10.1038/s41588-020-00771-1>, published online 25 January 2021.

In the version of this article initially published, in Fig. 2a, the label 'Insertions in inversions compared with noninverted segments' appeared to apply to all six of the inversion boxes but should have labeled only the three rightmost boxes. The error has been corrected in the HTML and PDF versions of the article.
