Correction to: <https://doi.org/10.1038/s41589-019-0245-2>, published online 18 March 2019

In the version of this article originally published, the peptide sequences of compounds **90**, **92** and **93** in Fig. 5b and Supplementary Table 7 contained several errors. In Fig. 5b, position 6 of compound **90** should be Tyr instead of Phe. In both Fig. 5b and Supplementary Table 7, position 9 of compounds **92** and **93** should be Gln instead of Glu. Additionally, the surname of co-author Anupam Bandyopadhyay was incorrectly spelled as Bandyopdhyay. The errors have been corrected in the HTML and PDF versions of the paper and in the Supplementary Information PDF.
