In the version of this article initially published, in Fig. 1d, data were omitted from the bDKO CD4⁺IFN- γ ⁺ T_H1 cell flow cytometry plot (bottom right). The correct Fig. 1d is shown below. In Fig. 8a, the control sample for the H3K9ac and H3K14ac ChIP-seq data (second row from the bottom) was incorrectly labeled “Control 1.” The correct label is “Control.” The errors have been corrected in the HTML and PDF versions of the article.
