In the version of this article initially published, in the Methods section “In vitro phagocytosis assay”, the clone number for the anti-SIRP α blocking antibody was incorrectly given as OSE-172. The correct nomenclature for this antibody is “humanized blocking anti-SIRP α clone 18D5”. The error has been corrected in the HTML and PDF versions of the article.

In the supplementary information originally posted for this article, in Supplementary Table 2, the data for the top 60 differentially expressed genes of IFN type I monocytes were missing. The error has been corrected online. In addition, the table now contains a color code for the monocyte subsets that matches the color code used throughout the article.
