Correction to: *Nature Medicine* <https://doi.org/10.1038/s41591-020-0893-5>, published online 27 May 2020.

In the version of this article initially published, an author (Marquis P. Vawter) was missing from the ‘Genome Aggregation Database Consortium’ list. The correct listing is “...Erkki Vartiainen<sup>92</sup>, Marquis P. Vawter<sup>149</sup>, James S. Ware<sup>1,2,3</sup>...”; the affiliation is “<sup>149</sup>Department of Psychiatry & Human Behavior, University of California Irvine, Irvine, CA, USA.” (with subsequent affiliations renumbered accordingly). Also, funding information for author Laurent Francioli was not provided. The correct text is as follows: “...NIHR Imperial Biomedical Research Centre. L.F. was supported by the Swiss National Science Foundation (Advanced Postdoc. Mobility 177853). T.E is supported by...”. The errors have been corrected in the HTML and PDF versions of the article.

Lee , Chi-Ping Day  and Glenn Merlino 

Correction to: *Nature Medicine* <https://doi.org/10.1038/s41591-020-0818-3>, published online 13 April 2020.

In the version of this article initially published, the designation H2-Kd (or H-2Kd) is incorrect in the third sentence of the first paragraph of the third subsection of Results (‘Antigen-presentation pathway is functional in the four melanoma models’) and in the second sentence of first paragraph of the sixth subsection of Methods (‘Antigen presentation, T cell activation assays and flow cytometry’), as well as in Supplementary Fig. 2b and its legend. The correct designation is H2-Kb. The error has been corrected in the HTML and PDF versions of the article.
