Correction to: *Nature Methods* <https://doi.org/10.1038/s41592-018-0261-2>, published online 17 December 2018

In the version of this paper originally published, one of the affiliations for Dominic Mai was incorrect: "Center for Biological Systems Analysis (ZBSA), Albert-Ludwigs-University, Freiburg, Germany" should have been "Life Imaging Center, Center for Biological Systems Analysis, Albert-Ludwigs-University, Freiburg, Germany." This change required some renumbering of subsequent author affiliations. These corrections have been made in the PDF and HTML versions of the article, as well as in any cover sheets for associated Supplementary Information.

The version of this paper originally published cited a preprint version of ref. 12 instead of the published version (*Proc. Natl. Acad. Sci. USA* **115**, 5594–5599; 2018), which was available before this *Nature Methods* paper went to press. The reference information has been updated in the PDF and HTML versions of the article.

Correction to: *Nature Methods* <https://doi.org/10.1038/s41592-019-0330-1>, published online 25 February 2019

In the version of this paper originally published, three references were accidentally omitted: Schwartz, J. C. et al. *Cell Rep.* **5**, 918–925 (2013); Tundup, S. et al. *FEBS Lett.* **580**, 1285–1293 (2006); and Itri, F. et al. *Biochem. Biophys. Res. Commun.* **492**, 67–73 (2017). The PDF and HTML versions of the paper now include these as references 58, 59, and 60, respectively, and subsequent references have been renumbered accordingly.
