

Publisher Correction: Tuned thalamic excitation is amplified by visual cortical circuits

Anthony D Lien and Massimo Scanziani

Correction to: *Nature Neuroscience* <https://doi.org/10.1038/nn.3488>, published online 11 August 2013.

In the published version of this article, a data point is missing from Fig. 4f, and the y -axis label reads “RF_{pre}”; it should read “RF_{pref}”. The original article has not been corrected.
