Publisher Correction: A glycolytic shift in Schwann cells supports injured axons

Elisabetta Babetto , Keit Men Wong and Bogdan Beirowski

Correction to: *Nature Neuroscience* <https://doi.org/10.1038/s41593-020-0689-4>, published online 17 August 2020.

In the version of this article initially published, contrast levels in some panels in Fig. 5d–g, 7e and 8b,c,h incorrectly appeared lower relative to other panels; and in the first paragraph of the Methods section “Culture of primary neurons” the catalog number for penicillin-streptomycin should have been 1514012. The errors have been corrected in the PDF and HTML versions of this article.
