Publisher Correction: Seismic evidence for a possible deep crustal hot zone beneath Southwest Washington

Ashton F. Flinders^{1,2} & Yang Shen¹

Scientific Reports 7:7400; doi:[10.1038/s41598-017-07123-w](https://doi.org/10.1038/s41598-017-07123-w); Article published online 7 August 2017

The original PDF version of this Article contained lower resolution figures. This has now been corrected in the PDF; the HTML version of the paper was correct from the time of publication.
