Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-017-13184-8>, published online 09 October 2017

The original version of this Article contained typographical errors in the title, where:

“Multiple similarly-well solutions exist for biomedical feature selection and classification problems”

now reads:

“Multiple similarly effective solutions exist for biomedical feature selection and classification problems”

This has now been corrected in the HTML and PDF versions of this Article.
