Author Correction: Smoking induces DNA methylation changes in Multiple Sclerosis patients with exposure-response relationship

Francesco Marabita¹, Malin Almgren¹, Louise K. Sjöholm¹, Lara Kular¹, Yun Liu^{2,3}, Tojo James¹, Nimrod B. Kiss¹, Andrew P. Feinberg⁴, Tomas Olsson¹, Ingrid Kockum¹, Lars Alfredsson⁵, Tomas J. Ekström¹ & Maja Jagodic¹

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-017-14788-w>, published online 06 November 2017

This Article contains errors in the Methods section, under subsection 'Availability of data'.

"DNA methylation data are available on GEO under the accession numbers GSE60655 for the S cohort. The data from the B and PBMC cohorts are not publicly available at the submission date due to non-disclosure agreements for independent manuscripts, but are available from the corresponding author on reasonable request."

should read:

"DNA methylation data are available on GEO under the accession numbers GSE43976 for the S cohort. The data from the B and PBMC cohorts are not publicly available at the submission date due to non-disclosure agreements for independent manuscripts, but are available from the corresponding author on reasonable request."
