Author Correction: Nanostructured laminar tungsten alloy with improved ductility by surface mechanical attrition treatment

Hong-Yan Guo^{1,2,3}, Min Xia², Lap-Chung Chan³, Kun Wang⁴, Xiao-Xin Zhang², Qing-Zhi Yan², Man-Chao He¹, Jian Lu^{3,5} & Chang-Chun Ge²

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-017-01458-0>, published online 02 May 2017

The original version of this Article omitted an affiliation for Jian Lu. The correct affiliations are listed below:

Department of Mechanical and Biomedical Engineering, City University of Hong Kong, Tse Chee Avenue Kowloon, Hong Kong 999077, China.

Center for Advanced Structural Materials, City University of Hong Kong Shenzhen Research Institute, 8 Yuexing 1st Road, Nanshan District, Shenzhen, China.

In addition, the Acknowledgements section in this Article contained errors:

“The authors gratefully acknowledge the financial support of the ITER-National Magnetic Confinement Fusion Program (2010GB109000 and 2014GB123000). J. LU acknowledges the financial support provided by the MOST 973 Program of China under the grant 2012CB932203 and the Croucher Foundation Grant (CityU9500006).”

now reads:

“The authors gratefully acknowledge the financial support of the ITER-National Magnetic Confinement Fusion Program (2010GB109000 and 2014GB123000). J. LU acknowledges the financial support from Guangdong Science and Technology Department (Ref: 2014B050504003) and SZSTI (Ref: ZDSYS201602291653165).”

These errors have now been corrected in the HTML and PDF versions of this Article.
