Author Correction: Combined use of satellite and surface observations to study aerosol optical depth in different regions of China

Mikalai Filonchik , Haowen Yan, Zhongrong Zhang, Shuwen Yang, Wei Li & Yanming Li

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-019-42466-6>, published online 16 April 2019

This Article contains a typographical error in the Introduction where,

“Also, to study regional and general prerequisites of atmosphere pollution, aerosol properties in many large cities of the country, including Shanghai⁴⁶, Nanjing⁴⁷, Beijing⁴⁸, Guangzhou⁴⁹, Lanzhou³⁷, Tianjin⁵⁰ and Xian⁵¹ have been studied.”

should read:

“Also, to study regional and general prerequisites of atmosphere pollution, aerosol properties in many large cities of the country, including Shanghai⁴⁶, Nanjing⁴⁷, Beijing⁴⁸, Guangzhou⁴⁹, Lanzhou³⁷, Tianjin⁵⁰ and Xi'an⁵¹ have been studied.”

Additionally, in Figures 5 and 6, the numbers on the axes contained commas rather than decimal points. The correct Figures 5 and 6 appear below as Figures 1 and 2.
