Author Correction: Biotic soil-plant interaction processes explain most of hysteretic soil CO₂ efflux response to temperature in cross-factorial mesocosm experiment

Yann Dusza , Enrique P. Sanchez-Cañete , Jean-François Le Galliard , Régis Ferrière , Simon Chollet , Florent Massol , Amandine Hansart, Sabrina Juarez, Katerina Dontsova , Joost Van Haren, Peter Troch, Mitchell A. Pavao-Zuckerman, Erik Hamerlynck & Greg A. Barron-Gafford 

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-019-55390-6>, published online 22 January 2020

The original version of this Article contained an error in the title of the paper, where the word “hysteretic” was incorrectly given as “hysteric”. This has now been corrected in the PDF and HTML versions of the Article and in the accompanying Supplementary Information file.
