The original version of this Article contained a typographical error in the spelling of the author Hongjuan Gao, which was incorrectly given as Hongjun Gao.

In addition, the original version of this Article contained a typographical error in the Materials and Methods section under the subheading ‘Identification of orthologs’,

“Hence, we excluded ortholog pairs with $K_a/K_s > 0.001$.”

now reads:

“Hence, we excluded ortholog pairs with $K_a/K_s < 0.001$.”

These errors have now been corrected in the PDF and HTML versions of the Article, and in the accompanying Supplementary materials file.
