Author Correction: Neural representations of Groups and Stereotypes using fMRI repetition suppression

Jeroen Delplanque, Elien Heleven & Frank Van Overwalle

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-019-39859-y>, published online 28 February 2019

The Article contains errors in Table 2, where there is a missing column named “Effect type”.

As a result, the subtitles “Simple Prime > Target contrasts”, “Main Suppression Effects” and “Interactions” originally under the column “Anatomical label” should be found under the column “Effect type”.

The correct Table 2 appears below as Table 1
