This Article contains an error in Figure 3, where the AD: MYC2a images for SD-L-W for both BD: JAZ1 and BD: JAZ2 are a duplication of the AD: MYC2a image for SD-L-W for BD: JAZ2. The correct Figure 3, which also contains higher resolution versions of the AD: MYC2b and AD images for SD-L-W for both BD: JAZ1 and BD: JAZ2, appears below as Figure 1.
