Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-58408-6>, published online 30 January 2020

The original version of this Article contained a typographical error in the Abstract.

“We focused on analyse the functional trait patterns and functional diversity components of two main assemblages that were collected with window traps (WTs) and hollow emergence traps (HETs) respectively, between three protected areas of the Iberian Peninsula.”

now reads:

“We focused on analysing the functional trait patterns and functional diversity components of two main assemblages that were collected with window traps (WTs) and hollow emergence traps (HETs) respectively, between three protected areas of the Iberian Peninsula.”

This has now been corrected in the PDF and HTML versions of the Article.
