Publisher Correction: Island Ancestors and New World Biogeography: A Case Study from the Scorpions (Buthidae: Centruroidinae)

Lauren A. Esposito & Lorenzo Prendini

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-018-33754-8>, published online 05 March 2019

The original version of this Article contained errors.

In Figure 2, representative photos of the major clades of *Centruroides*: 1) *Centruroides sculpturatus* (Ewing, 1928), 2) *Centruroides hentzi* (Banks, 1900), 3) *Centruroides gracilis* Latreille, 1904, 4) *Centruroides rileyi* Sissom, 1995 were missing.

Additionally, the Data Availability statement was incorrect.

“DNA sequences: Genbank accessions FXXXXXX-FXXXXXX (Appendix 1). Phylogenetic data, including alignments and tree files are available at Dryad <https://doi.org/XXXX/dryad.XXXXX>.”

now reads:

“DNA sequences are accessioned in Genbank and listed in Appendix 1.”

Finally, in the Supplementary Information file, Supplementary Figure 1 was omitted.

These errors have been corrected in the HTML and PDF versions of the Article, and in the accompanying Supplementary Information file.
