Publisher Correction: ‘Mainland-island’ population structure of a terrestrial salamander in a forest-bocage landscape with little evidence for *in situ* ecological speciation

Jan W. Arntzen & Joep van Belkom

 Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-58551-0>, published online 03 February 2020

This Article contains a typographical error in the Author Contributions section where,

“J.W.A. conceived and designed the study, and organized the species inventory. The files SI I and SI V are also available at <https://www.repository.naturalis.nl/record/707616>. J.v.B. collected the tissue samples and performed the laboratory work in the laboratory of S. Steinfartz, Braunschweig. J.W.A. analyzed the data and wrote the manuscript with the help of J.v.B.”

should read:

“J.W.A. conceived and designed the study, and organized the species inventory. J.v.B. collected the tissue samples and performed the laboratory work in the laboratory of S. Steinfartz, Braunschweig. J.W.A. analyzed the data and wrote the manuscript with the help of J.v.B.”

As a result, the ‘Data Availability’ section,

“The genotypic data for fire salamanders from Mayenne, France are presented in Supplementary Information II. The data for the Kottenforst, Germany are accessible at <https://doi.org/10.5061/dryad.h0r6q>.”

should read:

“The genotypic data for fire salamanders from Mayenne, France are presented in Supplementary Information II.
