This Article contains errors in Equation 1.

$$\log(p_{it}) = f(T_{it}, \beta) + \delta z_{it} + \alpha_i + \gamma_t + \varepsilon_{it}$$

should read:

$$\log(p_{it}) = f(T_{it}, \beta) + \delta z_{it} + \alpha_i + \gamma_t + \varepsilon_{it}$$

Additionally, there are typographical errors in the Empirical Methods section where,

“All time invariant unobserved heterogeneity is controlled for in the orchard-level fixed effects i and a_i ”

should read:

“All time invariant unobserved heterogeneity is controlled for in the orchard-level fixed effects α_i and a_i ”

and,

“We include γ and c_t to capture all systemic price and yield movements that occur across all orchards jointly in each year.”

should read:

“We include γ_t and c_t to capture all systemic price and yield movements that occur across all orchards jointly in each year.”
