Author Correction: Early-life short-term environmental enrichment counteracts the effects of stress on anxiety-like behavior, brain-derived neurotrophic factor and nuclear translocation of glucocorticoid receptors in the basolateral amygdala

Akshaya Hegde, Shruti Suresh & Rupshi Mitra

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-70875-5>, published online 20 August 2020.

This Article contains an error in Figure 7 where the representative images for MS group are duplicates of the representative AFR images and MSEE DAPI does not match the Merge panel. The correct Figure 7 appears below as Figure 1.

Published online: 06 October 2020

Figure 1. Representative images depicting labelling for BDNF (psudocolored magenta) and DAPI (psudocolored red). Scale bar = 50 μ m.
