The Data Availability section in the original version of this Article was incomplete.

There, the Data Availability text,

“The data used and analyzed during the current study are available from the corresponding author by reasonable request.”

now reads:

“The sequence data are available <https://www.ncbi.nlm.nih.gov/nuccore/KEQH0000000000>. All other data used and analyzed during the current study are available from the corresponding author by reasonable request.”

The Article has now been corrected.
