Author Correction: Redox status of cysteines does not alter functional properties of human dUTPase but the Y54C mutation involved in monogenic diabetes decreases protein stability

Judit Eszter Szabó, Kinga Nyíri, Dániel András, Judit Matejka, Olivér Ozohanics & Beáta Vértessy

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-98790-3>, published online 28 September 2021

The original version of this Article contained an error in the spelling of the author Olivér Ozohanics which was incorrectly given as Olivér Ozahonics. The original Article and accompanying Supplementary Information file have been corrected.
