Author Correction: Enhanced super-resolution microscopy by extreme value based emitter recovery

Hongqiang Ma, Wei Jiang, Jianquan Xu & Yang Liu

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-00066-3>, published online 14 October 2021

The original version of this Article contained an error in Reference 7, which was incorrectly given as:

Hoogendoorn, E. *et al.* The fidelity of stochastic single-molecule super-resolution reconstructions critically depends upon robust background estimation. *Sci. Rep.* **4**, 3854 (2015).

The correct reference is listed below:

Hoogendoorn, E. *et al.* The fidelity of stochastic single-molecule super-resolution reconstructions critically depends upon robust background estimation. *Sci. Rep.* **4**, 3854 (2014).

As a result, Reference 11 was a duplication of Reference 7 and therefore removed from the Article. The References have been renumbered.

The original Article has been corrected.
