Author Correction: Degree of anisogamy is unrelated to the intensity of sexual selection

Judit Mokos¹, István Scheuring¹, András Liker¹, Robert P. Freckleton¹ & Tamás Székely¹

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-98616-2>, published online 30 September 2021

The original version of this Article contained an error in the Code availability section, where.

“The dataset analysed during the current study are available from the corresponding author on reasonable request and will be placed to a public repository and/or be downloadable as a supplementary file and be available from the date of publication.”

now reads:

“The codes are available at <https://datadryad.org/stash/dataset/doi:10.5061%2Fdryad.fqz612jpp>.”

The original Article has been corrected.
