The original version of this Article contained errors.

Information on the Data Availability was incomplete. Therefore, the original Data Availability text,

“The normalized and non-normalized feature tables are available in supplementary data”.

Now reads,

“The normalized and non-normalized feature tables are available in supplementary data. The raw metagenomics sequence data is available at <https://www.ncbi.nlm.nih.gov/bioproject/PRJNA684000>”.

This has now been corrected in the PDF and HTML versions of the Article.
