Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-90617-5>, published online 27 May 2021

The original version of this Article contained errors in Table 1 and the accompanying table legend.

The Table headings indicating the light absorption coefficients σ_{abs} were incomplete and omitted the term (Mm^{-1}).

The correct and incorrect headings appear below.

Incorrect:

Stages	$\sigma_{\text{abs},370}$	$\sigma_{\text{abs},470}$	$\sigma_{\text{abs},520}$	$\sigma_{\text{abs},590}$	$\sigma_{\text{abs},660}$	$\sigma_{\text{abs},880}$	$\sigma_{\text{abs},950}$	AAE
--------	---------------------------	---------------------------	---------------------------	---------------------------	---------------------------	---------------------------	---------------------------	-----

Correct:

Stages	$\sigma_{\text{abs},370}$ (Mm^{-1})	$\sigma_{\text{abs},470}$ (Mm^{-1})	$\sigma_{\text{abs},520}$ (Mm^{-1})	$\sigma_{\text{abs},590}$ (Mm^{-1})	$\sigma_{\text{abs},660}$ (Mm^{-1})	$\sigma_{\text{abs},880}$ (Mm^{-1})	$\sigma_{\text{abs},950}$ (Mm^{-1})	AAE
--------	---	---	---	---	---	---	---	-----

In addition, the Table legend was incorrectly given.

“Biogeographic region follows the biogeographic provinces in Bowen and others (2016). Climate data from www.climate-data.org, accessed October 2018. Tidal pattern data from data.shom.fr, accessed October 2018.”

now reads:

“Aerosol light absorption properties.”

The original Article has been corrected.
