Author Correction: Diminished growth and vitality in juvenile *Hydractinia echinata* under anticipated future temperature and variable nutrient conditions

Daniel Tschink , Gabriele Gerlach , Michael Winklhofer , Cora Kohlmeier, Bernd Blasius , Laura Eickelmann , Yvonne Schadewell & Julia Strahl

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-86918-4>, published online 05 April 2021

The original version of this Article contained an error in the Data Availability section, where

“The morphological (biomass), physiological (standard metabolic rate), and biochemical (contents of protein and protein carbonyl) data for scenario 1, including supplementary information, are available online at <https://doi.org/10.1016/j.jembe.2018.07.009>. All data used for the growth analysis of scenario 2 are shown in the manuscript and will be available online before publishing.”

now reads:

“All data used for the growth analysis of scenario 1 and scenario 2 are available at <https://doi.org/10.5063/DZ06QQ> (Knowledge Network for Biocomplexity).”

In addition, the Supplementary Information file contained tracked changes.

The original Article and accompanying Supplementary Information file have been corrected.
