Author Correction: Quantification of the content of cannabidiol in commercially available e-liquids and studies on their thermal and photo-stability

Carlo Mazzetti, Emanuele Ferri, Monica Pozzi & Massimo Labra 

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-60477-6>, published online 28 February 2020

The original version of the Article contained an error in the title of the paper, where the word “cannabidiol” was incorrectly given as “cannabinol”.

In addition, Figure 1 contained an error in the chemical structure for “Cannabidiol (CBD)”, where H₃C was erroneously repeated and the double bond connecting H₃C to HO was omitted.

The original Figure 1 and accompanying legend appear below.

The original Article has been corrected.
