Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-88390-6>, published online 26 April 2021

The original version of this Article contained an error in the legend of Figure 1.

“(F) Tumor cells with loss of BAP1 expression had significantly larger mean volume ($801 \mu\text{m}^3$, SD 223) than those with retained expression ($524 \mu\text{m}^3$, SD 352, $p = 0.042$).”

now reads:

“(F) tumor cells with loss of BAP1 expression had significantly larger mean volume ($2657 \mu\text{m}^3$, SD 1283) than those with retained expression ($1593 \mu\text{m}^3$, SD 602, $p = 0.027$).”

The original Article has been corrected.
