The original version of this Article contained an error in Figure 4, where Figure 4d was a duplication of Figure 4e.

The original Figure 4 and accompanying legend appear below.

In addition, in Table 1, in the column “Properties”,

“Clay content % ( $\leq 0.075$  mm)”.

now reads:

“Clay content % ( $\leq 0.002$  mm)”.

The original Article has been corrected.
