Author Correction: A Mathematical Model for Vibration Behavior Analysis of DNA and Using a Resonant Frequency of DNA for Genome Engineering

Mobin Marvi & Majid Ghadiri

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-60105-3>, published online 26 February 2020

The original version of this Article contained a typographical error in Table 9, where the value of the First mode in “Number of Nucleobases”, “30” was incorrect. The correct and incorrect values appear below.

Incorrect:

Number of Nucleobases	Number of turn of helix	Natural frequency (Hz)		
		First mode	Second mode	Third mode
30	3	5.2032×10^8	1.1533×10^9	1.8835×10^9

Correct:

Number of Nucleobases	Number of turn of helix	Natural frequency (Hz)		
		First mode	Second mode	Third mode
30	3	8.2032×10^8	1.1533×10^9	1.8835×10^9

The original Article has been corrected.
