Author Correction: The latitudinal dependence in the trend of snow event to precipitation event ratio

Shangyong Shi & Guosheng Liu

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-97451-9>, published online 13 September 2021

The original version of this Article contained an error in Figure 2, where the ocean data in panel b was a duplication of this data in panel a. The original Figure 2 and accompanying legend appear below.

The original Article has been corrected.

Published online: 05 October 2021

Figure 2. Mean annual rain and snow frequency of occurrences. (a) Mean annual rain frequency. (b) Mean annual snow frequency. Rain (snow) frequency of occurrence was calculated for each year, then the 42-year mean were computed for 1978–2019. This figure was plotted using Python 3.7.4 (<https://www.python.org/downloads/release/python-374/>).
