Author Correction: Genome sequencing of *Prototheca zopfii* genotypes 1 and 2 provides evidence of a severe reduction in organellar genomes

Marco Severgnini¹, Barbara Lazzari¹, Emanuele Capra, Stefania Chessa, Mario Luini, Roberta Bordoni, Bianca Castiglioni, Matteo Ricchi¹ & Paola Cremonesi¹

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-018-32992-0>, published online 02 October 2018

The original version of this Article contained errors in the Materials and Methods section where the donation of the *P. zopfii* genotype 2 (SAG 2021) was incorrectly attributed to Dr. Jagielski, University of Warsaw (Poland).

In the Materials and Methods section, under the subheading ‘Strains and culture conditions’,

“*P. zopfii* genotype 1 (SAG 2063) was obtained from the Culture Collection of Algae at Göttingen University (“Sammlung von Algenkulturen der Universität Göttingen”, SAG, Göttingen, Germany). *P. zopfii* genotype 2 (SAG 2021) was kindly donated by Dr. Jagielski, University of Warsaw (Poland).”

now reads:

“*P. zopfii* genotype 1 (SAG 2063) and *P. zopfii* genotype 2 (SAG 2021) were obtained from the Culture Collection of Algae at Göttingen University (“Sammlung von Algenkulturen der Universität Göttingen”, SAG, Göttingen, Germany).”
